Wow. That's really cool. I've seen this style on some visualization in... I forgot what player but it's cool to see it in this video. I mean it's more focused on the fabric and it follows the person wearing it. The mixture of the clothes and color gave awesome effects to it and It's great on how they were able to make the flow of the video so smooth until it finishes. I tip my hat to the maker of this video. Awesome.

Burning like an angel  
Who has heaven in reprieve  
Burning like the voodoo man  
With devils on his sleeve

Won't you dance with me  
In my world of fantasy  
Won't you dance with me
