BREAKING NEWS Hyundai recalling nearly 140,000 new Sonatas

Video: Nissan UK commercial for Juke lights 'em up

by Jonathon Ramsey (RSS feed) on Sep 23rd 2010 at 7:58PM

Nissan UK Juke commercial – Click above to watch video after the jump

The **Nissan Juke**, a space oddity that continues to win hearts and minds, has a commercial in the UK that continues the crossover's ownership of left field. The two-minute spot with a music track straight from a Halo ad injects some energy to the Juke mix, suggesting that it might have enough spark to get the city going and make your hair stand on end. Or at least enough to start up Richard Simmons. [Follow the jump](#) to watch.
