

# Films THE ROPE

**The Rope**  
*The Rope*  
 United Kingdom, 2005, 11 Minute Running Time  
 Language: English

A woman wakes up on a sidewalk. She can't move and we discover she's tied to a man, whom she can't see. He wakes up, stands, and begins dragging her along. As the journey continues the woman becomes more and more in control of her destiny.

**DIRECTOR:** Philippe Andre

## This film is playing as a part of...

**Intimate Revolutions**  
 97 min.  
 Change is the constant in human experience. Roads diverge, choices must be made —and that, to paraphrase the poet, makes all the difference.... [more](#)
